EL SECRETARIO DE MOVILIDAD Y TRANSITO DEL MUNICIPIO DE SABANETA (ENCARGADO) , en ejercicio de sus facultades legales y en especial las consagradas en el artículo 159 de la Ley 769 de 2002, modificado por el artículo 26 de la Ley 1383 de 2010; artículo 5° de la Ley 1066 de 2006, Decreto Nacional 4473 de 2006 y artículo 206 Decreto Ley 0019 de 2012 y el Decreto Municipal 037 de enero 30 de 2009, y,

CONSIDERANDO:

- a) Que de conformidad con el artículo 159 de la Ley 769 de 2002, modificado por el artículo 26 de la Ley 1383 de 2010 y posteriormente por el artículo 206 del Decreto Ley 019 de 2012, la ejecución de las sanciones que se impongan por violación de las normas de tránsito, estará a cargo de las autoridades de tránsito de la jurisdicción donde se cometió el hecho, quienes estarán investidas de jurisdicción coactiva para el cobro, cuando ello fuere necesario.
- b) Que el artículo 5° de la Ley 1066 del 29 de julio de 2006 “por la cual se dictan normas para la normalización de la cartera pública y se dictan otras disposiciones”, señaló. **“Facultad de cobro coactivo y procedimiento para las entidades públicas.** Las entidades públicas que de manera permanente tengan a su cargo el ejercicio de las actividades y funciones administrativas o la prestación de servicios del Estado colombiano y que en virtud de estas tengan que recaudar rentas o caudales públicos, del nivel nacional, territorial, incluidos los órganos autónomos y entidades con régimen especial otorgado por la Constitución Política, tienen jurisdicción coactiva para hacer efectivas las obligaciones exigibles a su favor y, para estos efectos, deberán seguir el procedimiento descrito en el Estatuto Tributario”
- c) Que el Consejo de Estado, en sentencia del 13 de octubre de 2006, dictada dentro del expediente 11001000000 de la Sala Contencioso Administrativo, Sección Quinta, con ponencia del Magistrado Darío Quiñonez Pinilla, con relación a la prescripción de la acción de cobro manifestó: “(...) De manera que en los procesos por jurisdicción coactiva en los que se persiga la ejecución de multas impuestas por violación a las normas de tránsito, existe norma especial que regula la prescripción de la sanción y es la contenida en el artículo 159 de la Ley 769 de 2002, antes transcrito.

Dicha norma prevé que la acción ejecutiva a través de la cual se pretenda el cumplimiento de las sanciones impuestas por violación a las normas de

tránsito prescribe en tres años contados a partir de la ocurrencia del hecho y se interrumpe con la presentación de la demanda.

Así las cosas, para efectos de la contabilización del término de prescripción de la acción ejecutiva se deben tener en cuenta dos aspectos: (i) que dicho término comienza a contarse a partir de la ocurrencia del hecho por el cual se impuso la sanción y (ii) que se interrumpe con la presentación de la demanda. En relación con este último, se precisa que como en los procesos de jurisdicción coactiva no se procede mediante demanda, debe entenderse entonces, que el término de prescripción se interrumpe desde cuando se dicta mandamiento de pago (...).

- d) Que el artículo 8º de la Ley 1066 de 2006, modificó el inciso 2º del artículo 817 del Estatuto Tributario, el cual quedó así: "La competencia para declarar la prescripción de la acción de cobro será de los Administradores de Impuestos o de Impuestos y Aduanas Nacionales respectivos, y será decretada de oficio o a petición de parte". Norma que de conformidad con el artículo 17 de la misma norma, es aplicable a los procesos administrativos de cobro que adelanten otras entidades públicas, siendo el competente para decretar la prescripción de oficio el jefe de la respectiva entidad.

Que el artículo 206 del Decreto Ley 0019 de 2012, ha señalado. "La autoridad de Tránsito no podrá iniciar el cobro coactivo de sanciones respecto de las cuales se encuentran configurados los supuestos necesarios para declarar su prescripción.

Que el Ministerio de Transporte mediante Radicado MT- 20124000049191 del 7 de febrero de 2012, ha definido las directrices para implementación y cumplimiento del Decreto Ley 019 de 2012 y con relación a las sanciones prescritas estableció. "11. Declaración de oficio de la prescripción de las sanciones por infracciones a las normas de tránsito.

- a) Transcurridos 3 años contados desde la ocurrencia del hecho, sin que se haya realizado la notificación del mandamiento de pago, el Organismo de Tránsito debe declarar de oficio, la prescripción de las sanciones de multa.
- b) El Organismo de Tránsito no puede adelantar proceso de cobro coactivo de las multas respecto de las cuales se haya configurado los supuestos para declarar su prescripción (...)
- e) Que el Comité Técnico de Sostenibilidad Contable, mediante acta 02 de julio 17 de 2013, autorizó el saneamiento contable de las obligaciones prescritas originadas en el procedimiento contravencional del Organismo de Tránsito de Sabaneta.
